Installing snapchat with AAS on SFOS

Some users have reported being able to install snapchat.

- Device: Sony Xperia 10 III
- SFOS version: 5.0.0.72
- AAS with microG version: 0.3.11.250932
- using the following older apk
- https://www.apkmirror.com/apk/snap-inc/snapchat/snapchat-11-95-0-39-release/snapchat-11-95-0-39-android-apk-download
- and then logging in
- and finally updating using the aurora store

To discern whether or not this is a good idea is left as an exercise for the reader.
